

RENT THE WILMA

THE WILMA OCCUPIES A STUNNING FACILITY

The Wilma's main theater space is available for rental on a limited basis, contingent upon the requirements of our own programming. The modern, 300 seat auditorium offers the latest in stage technology, while the raked seating and carefully designed lobby complete the feeling of comfortable and glamorous surroundings.

For the majority of the year, The Wilma is engaged in rehearsing for and performing its own productions. We cannot disrupt our own programming to accommodate an outside event. If the date(s) you desire are available for rental and a set for a Wilma play is already onstage, you may decide to conduct your event with our set as a backdrop. Circumstances may vary.

If you are interested in renting the theater or to schedule a walk-through appointment, please **email or call 215-893-9456 ext. 135 Associate Production and Facilities Manager Chelsea Sanz for additional information.** Please allow 2-3 business days for a response. Due to the high-volume of requests, we ask that there are no unscheduled walk-ups.

The Wilma offers the following spaces for rent, upon availability:
